Influenza (flu) is a contagious respiratory illness that can cause mild to severe illness. Some people, such as older people, young children and those with certain health conditions, are at high risk for serious flu complications. We will screen those who might be allergic to the vaccine.

**The best way to prevent the flu is by getting vaccinated each year.**

This event is funded by Lenox Health Greenwich Village and co-hosted by the following:

- US Congressman Jerrold Nadler
- Manhattan Borough President Gale Brewer
- NYS Senator Brad Hoylman
- NYS Assemblymember Deborah Glick
- NYS Assemblymember Richard Gottfried
- NYC Council Speaker Corey Johnson
- Manhattan Community Board 2
- Manhattan Community Board 4
